

BEAUJOLAIS-VILLAGES

Domaine De
La Chanaise

DOMINIQUE PIRON

Beaujolais Villages | 2009

The Beaujolais Villages is a blend of terroirs of Beaujolais Villages with just a bit of Morgon for the structure, and Régnié for the roundness, almost the structure of a cru but with an emphasis focused on the fruit. It has a nose of red and black ripe fruit before deepening into notes of fresh plums and apricots on its soft lightly structured palate.
